5 Summer Lovin' Product Cocktails and Services from Sam Brocato

Happy clients create happy returns and **Sam Brocato** knows just how to keep them coming back for more this summer. To spoil his faithful followers, Sam has created the **Made Fresh Daily Bar**. How does it work? **Brocato Beauty** products are married with fresh, whole ingredients and blended right on the spot. What do we think? Absolutely genius!

Humidity Buster

What does it do: Calms and soothes frizzy and unruly hair.
What steps are involved:
 Step 1: Shampoo with Curlinterrupted Smoothing & Hydrating Shampoo. Leave on hair while mixing ingredients for Step 2.
 Step 2: Using a mortar and pestle, blend together ½ ripe avocado, 1 tbs Curlinterrupted Smoothing & Hydrating Treatment and three pumps Curlinterrupted Actives Restorative Hair Infusion.
 Step 3: Rinse hair and apply formula by hand. Massage into hair from scalp to end, concentrating on the ends.
 Step 4: Cover with plastic cap and wrap hot towel around cap. Let sit for 10 minutes.
 Step 5: Rinse and shampoo once with Curlinterrupted Shampoo.
 Step 6: Rinse and towel dry. Proceed to Style.
Why does it work: Avocado is a natural moisturizer, makes hair more elastic and less prone to breakage.

The Lifeguard

What does it do: De-stresses chlorine-damaged hair.
What steps are involved:
 Step 1: Shampoo with Brocato Sport Blend Shampoo (1 part Splash Daily Shampoo and 1 part Peppermint Scrub Hair & Scalp Leave-in Tonic). Leave on hair while mixing ingredients for Step 2.
 Step 2: Using a blender, mix 3 tbs Peppermint Scrub Hair & Scalp Masque, ½ banana, ½ cup papaya, ½ cup pineapple until smooth.
 Step 3: Rinse hair and carefully pour onto head. Massage into hair from scalp to end.
 Step 4: Cover with plastic cap and wrap hot towel around cap. Let sit for 10 minutes.
 Step 5: Thoroughly rinse and apply Cloud 9 Treatment.
 Step 6: Rinse and towel dry. Proceed to Style.
Why does it work: Pineapple and papaya contain enzymes that exfoliate and remove build up. Papaya is

also hydrating. Banana's natural oils soften hair and improve elasticity.

Color Me Beautiful

What does it do: A surefire color rejuvenator

What steps are involved:

Step 1: Shampoo with Vibracolor Fade Prevention Shampoo. Leave on hair while mixing ingredients for Step 2.

Step 2: Using a blender mix ¼ cup blackberries, three drops buriti fruit oil, three pumps Constructor Deep Repair Treatment and two pumps of Vibracolor Fade Prevention Treatment until smooth.

Step 3: Rinse hair and carefully pour mixture onto head, massaging from scalp to end.

Step 4: Rinse and towel dry. Proceed to style.

Why does it work: Buriti fruit restores colored and damaged hair. Blackberries contain bioflavonoids which are powerful antioxidants.

Scalp-Idophilus

What does it do: Probiotics for a healthy foundation

What steps are involved:

Step 1: Therapeutic brushing (gently brush detangled dry hair for five minutes with boar bristle brush).

Step 2: Shampoo with Cloud 9 Miracle Repair Shampoo and rinse.

Step 3: Using a blender mix 1 cup yogurt, 1 slice star fruit, five drops Peppermint Scrub Tonic and ¼ cup goat's milk until smooth.

Step 4: Pat hair dry and carefully pour onto head. Gently massage into scalp.

Step 5: Cover with plastic cap and wrap hot towel around cap. Let sit for 10 minutes.

Step 6: Remove cap and deeply massage scalp for at least three minutes.

Step 7: Shampoo with Cloud 9 Shampoo. Rinse and follow with Cloud 9 Miracle Repair Treatment.

Step 8: Rinse and towel dry. Proceed to Style.

Why does it work: Starfruit's amino acids improve follicle health. Yogurt contains natural pro-biotics (like acidophilus) to destroy fungi, such as yeast. Goat's milk helps to soothe and repair.

Instant Oomph!

What does it do: Restores life from the dead and droopy.

What steps are involved:

Step 1: Shampoo with Swell Shampoo. Leave on hair while mixing ingredients for Step 2.

Step 2: Using a blender mix 1 ½ tbs acai berries, ½ banana, ½ cup watermelon, three pumps Constructor Deep Repair Treatment and two pumps Swell Volume Deep Volumizing Treatment until smooth.

Step 3: Rinse hair and carefully pour onto head. Massage into hair from scalp to end.

Step 4: Cover with plastic cap and wrap hot towel around cap. Let sit for 10 minutes.

Step 5: Shampoo with Swell, thoroughly rinse, then apply Swell Volume Deep Volumizing Treatment.

Step 6: Rinse and towel dry. Proceed to Style.

Why does it work: Acai is chocked full of vitamins to keep hair strong and shiny. Banana and watermelon both contain biotin to promote hair growth and improve strength and thickness.
